Shalpatha Road Shalpatha Road is a road in Bangalore, India, which is located in the south of the city. The road is named after the Shaligram shrine located on the road. Though a road, the stretch of the road is known as a monument. The road is an important arterial road of Bangalore city. Location and layout The Shaligram Road, or the Siddha Sattva Utsav Mahotsav (SSUM), has been a historical monument located in the Bangalore city. The approach road from Cubbon Park is lined with attractions, primarily monuments built in the British era. The road lies in the south-east of Bangalore city. It is named after the Shaligram temple located on the road. The road does not provide access to the northern outskirts of Bangalore city. The road is served by several buses operated by the Bangalore Urban Transport Corporation (BUS-TATA).

Details The road is located between the Majestic and Old Madras Highways. The road is one of the ring roads (or arterial roads) in the city. It is one of the main roads to the Yeshwantpur suburban areas. The road also provides access to the Velur area of ITPL. The road is lined with various attractions located in the British era. The road is lined with statues of notable personalities such as Robert Clive, Warren Hastings, and Charles de Boigne. The road connects the areas of Jalahalli, Jakkasandra, Cubbon Park, and Gopalapura. The road was built in 1886. The Bangalore Main Road Railway Station is located at the northern end of the road. The Bangalore Police Headquarters is located on the road.
