Download full version of Summon Of Asmodeus game for free on PC.FRANKFURT (Reuters) - German software developer SAP AG SAPG.DE expects to book a

pretax loss of between 0.15 and 0.20 billion euros (\$1.27-1.41 billion) in 2019, the company said on Thursday, compared with the loss of around 0.55 billion euros in 2018. FILE PHOTO: The logo of German software company SAP is pictured on a screen on the gate of the company's headquarters in Walldorf near Bonn, Germany, February 2, 2019. REUTERS/Wolfgang Rattay/File Photo SAP said it has little need to acquire further companies because it has used divestments and other measures to improve the business's financial position as it spends billions of euros upgrading its development platform SAP HANA. The company also said it saw a recovery of its global gross margins to a range of 20% to 23% in 2019, an increase from the previously forecast range of 18.5%-19.5%. That represents a significant step up from the 6% of gross margins that SAP forecast in October last year. In a call with analysts,
